Admissions Policies

The following admissions policies have been established to assure a clear understanding of the mission and philosophy of West Woods Christian Academy.

1. Admission to WWCA requires that at least one parent be a born again Christian (John 3:3) and in consistent attendance at a Bible believing church.
2. Admission to WWCA requires that each applicant give evidence of a genuine desire to attend the school, and expects that students in grades 7-12 have made a personal decision of faith and commitment to the Lord Jesus Christ.
3. Our challenging curriculum requires that all prospective students be given an entrance test to determine grade placement and whether WWCA can serve the educational needs of the applicant.
4. Applications are reviewed based on the date the application and all accompanying forms are received. Students of existing school families will have priority over new families.
5. The decision of the Admissions Committee will be by written notification.
6. Kindergarten applicants must be 5 years old by December 31. First Grade students must be 6 years old by December 31. Chronological age is not the sole determiner for admission. WWCA uses a developmental screening process that helps assure a readiness for a formal school program.
7. Transfer students are eligible for admission up to 11th grade only.
8. West Woods Christian Academy does not discriminate on the basis of race, national, or ethnic origin in the administration of its policies.
